

# Run Leicester Half Marathon & 10K

## Sunday 13th October 2024

### Course Timings and Road Closure Information

Whilst in theory we have permission to close roads between 1:00am and 6:00pm, in reality we aim to keep any closures and disruption for local residents to a minimum.

The table below indicate at what times we expect runners to reach each part of the city on Sunday 13th October 2024. Please read the guidance notes first which will help you.

#### Guidance Notes

##### 1) Approximate Time

The times in **black and bold** are the overall times for all runners passing through. Please note that certain roads may close up to 20 minutes before the first time, with closures being removed as soon as possible after the last runner passes through.

Whilst closures may still be in place towards the end of these times, the runners will be much more spread out and it may be possible to facilitate access though you will likely need to wait until it is safe to do so. Please take advice from our volunteer marshals on the day who will be able to advise you when it is safe to cross the route.

##### 2) Road or Crossing / Distance

These columns indicate how far each street is into the route, and combined with the approximate time, gives you an idea of when access is likely to be difficult in this area.

##### 3) Road Closure Info

For more detailed information regarding closures and access routes in affected areas, please click the link to follow through to letters which are dropped out to local residents throughout August & September. Whilst we aim to inform as many residents around the city as possible, we regret that we are only able to letter drop to those most closely affected by the marathon route.

##### 4) The route itself.

The route itself consists of a singular half marathon loop which starts from Victoria Park and effectively runs out to the top end of Watermead Park and then loops back again. Additionally there is a short half mile section in the Loughborough Road area where the 10k route crosses over the canal – the 10k route follows the half marathon route apart from this short section.

Half Marathon Loop			
Runners on road	Street Name or Road Junction	DISTANCE	ROAD CLOSURE INFO
<b>9:15am – 9:20am</b>	Start – Victoria Park Coach Drive		<a href="#">Click Here</a>
